Dear Gertrude,

I am pleased to write you with news that at the January meeting of the Eisenhower College Alumni Association Board of Directors we voted to recognize you as a 2014 recipient of ECAA's Distinguished Alumnus Award. This award celebrates your professional accomplishments in furthering global understanding, appreciation and cooperation, in keeping with the College's World Studies tradition.

You will be formally recognized following this summer's Homecoming picnic at the 2014 Awards Ceremony slated for Saturday, July 26 at 1:30 pm in NYCC's Academic III lecture hall. You and a guest are invited to join us for the entire weekend's festivities, compliments of ECAA. Once the weekend's schedule is posted to the ECAA web site, please let me know which events you will attend and the name of your guest.

I look forward to recognizing you in July. In the meantime, congratulations!

Sincerely,

Pamela Romeo Havens '78
