Dear Gertrude,

Congratulations! You were recently nominated by Betsy Sayer to receive the "E-Chievement Award" from eTown, a weekly radio program heard from coast to coast. eTown's mission is to educate, entertain and inspire a diverse audience, through music and conversation, to create a socially responsible and environmentally sustainable world.

The E-Chievement Award honors people who are working to make a lasting difference in their communities and beyond. eTown listeners nominate people they know or have heard about – people they believe deserve greater recognition.

We receive many more E-Chievement Award nominations than can be featured on an eTown show. Although we are not able to feature your story on the air, we are happy to present you with the enclosed E-Chievement Award certificate in recognition of your efforts in educating your students on prevalent world problems and enabling them to do something able it, your contribution to community will stem far and wide.

Thanks so much for all you are doing.

Sincerely,  
Stephanie
